DATE: **October 2017**

Time: **3 Hours**

Instructions

This examination consists of **One Essay Question**. Please complete the essay and send it to Dr. Ichatha at **sichatha@gmail.com**

Using the **Blind Spots HBR** article please write a **3-5 page double spaced paper** on each of the three sources of ethical blind spots identified. Please be sure to highlight and expand on the following salient points:

- Define and describe the three ethical blind spots
- Select **one** of the blind spots that most closely applies to you as an IT professional and use **real world** examples to **describe in detail** why and how that blind spot can affect ethical decision making
- Outline in detail how you would advise – an IT professional – to overcome this ethical blind spot
